## A. Automated Emails (using templates)

- Tenant Leave Request

The screenshot displays a web application interface for managing tenants. The main section is titled "Tenant niranjan" and contains a "Details" tab. The form includes fields for "Tenant Name" (niranjan), "Email" (aswiniamaraadi15@gmail.com), "Phone", "Status" (Stay), and "Property" (Parkside Lofts). It also shows the "Owner" as Sowmya Team. At the bottom, it indicates the form was "Created By" Sowmya Team on 6/23/2025, 2:33 AM and "Last Modified By" Sowmya Team on 6/26/2025, 3:53 AM. A "Notifications" panel on the right lists several messages: "Sowmya Team is requesting approval for tenant niranjan", "Approval request for the tenant is approved niranjan", "Approval request for the tenant is approved niranjan", "Approval request for the tenant is rejected niranjan", and "Approval request for the tenant is approved niranjan".

## Leave Approved

The image shows two screenshots from a Salesforce environment. The top screenshot displays the 'Classic Email Templates' setup page for a template named 'Leave approved'. The bottom screenshot shows the 'Tenant Approval' process instance step, which is marked as 'Approved', with a notification panel on the right.
